A First Generation Simulator of the Thailand Transportation System Nov 11 2019 This paper describes a first effort to
simulate the transportation system of Thailand. Although not programmed for computer use, the simulator is documented
in flow diagram form so that it might be easily programmed. Movement of six basic commodities by highway, rail, and
inland waterway is considered between major centers in the country. Input data is furnished, and a sample simulation is
documented. Possible areas for future work are also discussed. (Author).

Onmoontlike mansmens Mar 28 2021 Karien Kruger trou met Hugo Steyn omdat hy dan die beplande ontwikkeling van
haar tuisdorp sal stopsit. Die saketransaksie beweeg egter gevaarlik na aan haar hart wanneer sy besef sy het gevoelens vir
Hugo ontwikkel.

Mass Theatre in Interwar Europe May 10 2022 Ideological heterogeneity in mass plays in Flanders and the Netherlands In
many European countries mass theatre was a widespread expression of 'community art' which became increasingly popular
shortly before the First World War. From Max Reinhardt's lavish open-air spectacles to socialist workers' Laienspiel (lay
theatre), theatre visionaries focused on ever larger groups for entertainment as well as political agitation. Despite wide
research on the Soviet and German cases, examples from the Low Countries have hardly been examined. However, mass
plays in Flanders and the Netherlands had a distinctive character, displaying an ideological heterogeneity not seen
elsewhere. Mass Theatre in Interwar Europe studies this peculiar phenomenon of the Low Countries in its European context
and sheds light on the broader framework of mass movements in the interwar period.

The Phonology of Cliticization Feb 24 2021

De rebus divinis et humanis Jan 14 2020 Im April 2019 wird Jan Hallebeek emeritiert. Damit endet seine aktive Laufbahn
als von der Royal Netherlands Academy of Arts and Sciences (1989–1999) finanzierter Forscher, als Extraordinarius an
der Theologischen Fakultät der Universität Utrecht (1997–2006) und zuletzt als Professor für Rechtsgeschichte an der
Vrije Universiteit Amsterdam (seit 1999). Die Stationen seiner Tätigkeit spiegeln zwei seiner Schwerpunkte wieder: die
Kirchen(rechts)geschichte einerseits und das klassische römische Recht und die Geschichte des römischen Rechts in Europa
andererseits. In glücklicher Weise konnte Jan Hallebeek sein Engagement für die Altkatholische Kirche mit seiner Arbeit
als Forscher verbinden. Die Beiträge greifen das breite rechtshistorische und kirchenrechtliche Spektrum auf, das der
Jubilar in seiner eigenen Arbeit aufgespannt hat. Jan Hallebeek will become emeritus in April 2019. That will mark an end

to his professional career as Researcher and Lecturer on a Royal Netherlands Academy of Arts and Sciences post (1989–1999), as Professor Extraordinarius at the Theological Faculty of the University of Utrecht (1997–2006), and as Professor on the Chair of Legal History at the Vrije Universiteit Amsterdam (from 1999 onwards). These positions reflect two focal points of his research: on the one hand Church history and Canon Law, on the other hand classical and particularly medieval Roman law and their history. They matched very felicitously his engagement for and in the Old-Catholic Church. The contributions centre on the themes and questions the honorand has pursued in his work till now.

Northern Humanism in European Context, 1469-1625 Oct 11 2019 This is the third and final volume of a set of studies on the development of humanism in the northern Netherlands and the adjoining parts of Germany between 1469, when, in the oldest letters preserved of Rudolph Agricola and Rudolph von Langen, first mention is made of a group of early humanist scholars at the Adwert monastery near Groningen, and 1625, when the humanist Ubbo Emmius died, who was the first rector of the university of Groningen. The earlier two volumes are *Rodolphus Agricola Phrisius (1444-1485) (1988)* and *Wessel Gansfort (1419-1489) and Northern Humanism (1993)*. This last volume has papers on *Regnerus Praedinius (1510-1559)*, *Alexander Hegius (ca.1433-1498)*, *Alexander Candidus (1555)*, *Wessel Gansfort (1419-1489)*, *the Bremen Gymnasium Illustre between 1560-1630*, *humanist commentaries on Boethius*, *scholasticism and humanism*, *humanism and philosophy*, *Agricola Latinus*, *Ubbo Emmius's 'art of description'*, *Agricola's dialectics at Louvain*, *Agricola on deliberative speech*, *humanism and reformation*, *Erasmus and geography*, *Agricola in Pavia*, *Dutch students at Italian universities (1425-1575)*, *relations between Heidelberg and the Low Countries in the late 16th century*, *the Modern Devotion and humanism*. Many of the papers were originally presented at a conference in 1996, but they have been extensively rewritten and edited, and a number of new pieces have been included. An updated bibliography in this volume makes the three volumes together an indispensable tool for scholars of philology, literature, history, philosophy and theology of the period. Contributors include: F. Akkerman, J.C. Bedaux, C.P.M. Burger, C.M.A. Caspers, T. Elsmann, M. Goris, M.J.F.M. Hoenen, P. Kooiman, H.A. Krop, Z.R. W.M. von Martels, L. W. Nauta, J. Papy, M. van der Poel, E. Rummel, R.J. Schoeck, A. Sottili, A. Tervoort, A.E. Walter, and A.G. Weiler.

Studies in West Frisian Grammar Nov 23 2020 In this volume, *Germen de Haan* gives a multi-faceted view of the syntax, sociolinguistics, and phonology of West-Frisian. The author discusses distinct aspects of the syntax of verbs in Frisian: finiteness and Verb Second, embedded root phenomena, the verbal complex, verbal complementation, and complementizer agreement. Because Frisian has minority language status and is of interest to sociolinguists, the author reviews the linguistic changes in Frisian under the influence of the dominant Dutch language and, more generally, reflects on how to deal with contact-induced change in grammar. Finally, in three phonological articles, the author discusses nasalization in Frisian, the putatively symmetrical vowel inventory of Frisian, and the variation between schwa + sonorant consonants and syllabic sonorant consonants.

International Arbitration and Technology Oct 03 2021 Digitalization is increasingly impacting the practice of international arbitration. Especially in the wake of COVID-19, technological solutions are adopted by counsel, tribunals, and arbitral institutions. This trend is likely to continue in the future, thus changing the way in which international arbitration is practiced. International arbitration and technology offers the first up-to-date and comprehensive overview of the interplay between technology and international arbitration, with a specific focus on the technological developments

which are currently available and already practically relevant. The authors' practical perspectives on the impact of technology on arbitration yield valuable insights for arbitrators, tribunal secretaries, international arbitration counsel, and arbitral institutions. As many aspects of their work are already impacted by technology, they will find much value within this book's pages. Furthermore, the book is of interest for academics working in the fields of international dispute resolution, and law and technology.

Ars Docendi et Scribendi: Essays in honour of Johan Scott Nov 04 2021 *Ars Docendi et Scribendi: Essays in honour of Johan Scott Edited by the Faculty of Law, University of Pretoria ISBN: 978-1-920538-76-7 Pages: 243 Print version: Available Electronic version: Free PDF available About the publication "Festschrift" - a collection of articles by the colleagues, former students, etc. of a noted scholar, published in his or her honour. During his travels abroad Johan Scott built up a wide network of international scholars who over time became a valued circle of friends, many of whom spent enriching moments in his company and who contributed to this Festschrift. Contributors were requested to write in their home language, and furthermore to submit their contributions for publication in other journals worldwide, specifically accrediting this Festschrift in order to expand access worldwide to the wonderful contributions written in honour of our colleague. Great scholars like Johan never retire. They might go fishing more than they could in the past, but his calling of being a true teacher will never fade. Scholars like Johan understand that the present and the future are inevitably linked to the past, and although education depends on talent and performance, it should always serve to build character and a vision for future generations. Table of Contents Dedication Acknowledgments Publications of Johan Scott Essays Sessie en subrogasie Susan Scott Revisiting the maxim imperitia culpa adnumeratur in context of medical negligence – can the maxim be extended to include the application of luxuria?
