This book is designed for all lottery players around the world. The prediction in this book is based on understanding the behaviour and complexity of random systems. Understanding random systems is the best tool we have for predicting future lottery results. This book predicts higher returns when numbers 48 and 49 come out together in your chosen combination. Each combination in this book is affordable to individuals, families playing together as a syndicate, or syndicates set up in the workplace or community. The book includes a selection of lucky bonus combinations which can also be played in various countries around the world, including the UK. You can be the judge of this book by observing each combination over time, or you can choose from combinations 1 to 21 and start playing your chosen combination. You can also choose from one of the seven bonus combinations in this book. The following combination has already come out from the German lottery on Saturday, 15 January 2022: 5 34 42 43 48 49 This is evidence that the researched combinations in this book have the potential to guarantee winnings. After the prediction of two-, three-, and four-number combinations in previous volumes of the series, the author now publishes the prediction of five-number combinations that

are affordable to lottery players around the globe. LOTTERY WINNING SYSTEMS SERIES by Gail Howard (ISBN 0-945760-04-3) contains the world's most successful lottery systems. Thirty-nine documented Lotto jackpot winners used Gail Howard's systems to win a combined total of \$79 million. Her remarkably successful track record in helping people win big money in Lotto has led to appearances on hundreds of radio & TV shows, including THE TODAY SHOW & GOOD MORNING AMERICA. The GLOBE reported: "Gail Howard's revolutionary system can help you take dead aim on a million-dollar lottery jackpot." FAMILY CIRCLE magazine said: "Lottery guru Gail Howard... can help people beat the odds." The CHICAGO TRIBUNE said: "Gail Howard is the nation's best known lottery-system creator." The NEW YORK DAILY NEWS reported: "Wheeling systems like Howard's have the most respectability among critics, since they concede that the wheels offer a systematic way of reducing the odds." LOTTO HOW TO WHEEL A FORTUNE, second edition, 1990 (ISBN 0-945760-00-0) has the winning systems used by Gail Howard's biggest LOTTO JACKPOT WINNERS. It's easy to read & can be used for any Pick-6 Lotto game in the world--from 25 to 54 numbers. Each system has a specific win guarantee & also shows the MAXIMUM number of multiple prizes that can be won with each system. 397 pages of valuable information & systems to help you win. LOTTO WHEEL FIVE TO WIN, 1992 (ISBN 0-945760-02-7) has 129 systems to beat the low-odds, easy-to-win Pick-5 Lotto games played in all lottery states except Texas & Louisiana. Can be used for any Pick-5 Lotto games in the world--from 26 to 45 numbers, including Power Ball. A MUST for ALL Pick-5 games. Call toll-free 1-800-945-4245 or write to: Smart Luck Publishers, Dept. A-77, P.O. Box 1519, White Plains, NY 10602. (Visa/MC). The easiest, most successful system yet for hitting any three-number lottery. Every day tens of millions are getting in on the excitement of their local lottery, but they rarely win by playing numbers chosen for sentimental or superstitious reasons. Here is a proven mathematical system which calculates the odds and diagrams the most likely winning numbers. Gail Howard's best selling book, Lottery Master Guide, turns a game of chance into a game of skill. It is the most comprehensive book on scientific lottery strategy ever written. Once you apply the methods in Lottery Master Guide, you will never look at lotto numbers the same way again. By using the powerful and effective rules and tools in Lottery Master Guide, you'll learn how to spot specific numbers for specific drawings and make the best use of the dollars you spend on lottery tickets. You will learn to recognize the winning patterns that produce winning numbers--and spot the Hot Numbers of tomorrow... TODAY!!! Lottery Master Guide is a virtual library of indispensable lottery information--everything serious lotto players need to know. Learn how to reduce the odds by millions (Page 32); Buy fewer tickets, yet have a greater chance to win

(Page 90); Avoid playing lotto numbers that are sure to lose (Page 19); Learn the one thing all lottery jackpot winners have in common (Page 165); Detect at a glance which lotto numbers are hot and which are not (Page 53); Learn how to choose the best and eliminate the rest (Page 45). After you have read Lottery Master Guide from cover to cover, not only will you be on your way to winning more prizes, but you will be an authority on lotteries--and you will have the world's best strategies to beat them! Fifty-three (53) first prize lotto jackpots have been won with Gail Howard's systems in pick-5 lotto games: Fantasy 5, Cash 5, Take 5, Match 5, Little Lotto, Lucky 5, Cash Game, Lotto 5. Photos of the jackpot winners, their letters, stories and winning tickets can be seen and verified on Gail Howard's web site at GailHoward.com. The 2006 3rd edition of Lotto Wheel Five to Win contains all the Gail Howard wheeling systems that won pick-5 lotto jackpots and identifies which of the systems won one, two or three jackpots, also the system that won eight first prize jackpots! Whether you spend a couple of dollars or join a pool or syndicate, a choice of 333 systems, from \$2 to \$100's, gives you complete flexibility for any possible use. Fifty systems in this book cost an affordable \$5 or less to use, and more than 100 systems cost \$10 or less. Simply choose six or more pick-5 lotto numbers and place them in the corresponding lettered boxes. Your numbers are magically (mathematically) combined into the correct sets of five numbers to cover a specific win guarantee, ready to mark on your play slips. There is no easier way to scientifically combine your lotto numbers. So simple a child can do it. Fast and easy to use as A-B-C! The minimum win guarantees in this book are mathematically correct, totally accurate, flawless, without holes. Guaranteed! Use lottery systems with proven jackpot winners and play lotto to win. The Secrets To Winning The Lottery People consider lottery as a game of chance because the probability of winning something big from lottery is one to a million. However, lottery is more than a game of chance. It is a game that involves math, statistics and logic. In fact, there have been many lottery players who won the jackpot because they studied the lottery system. The thing is that there is a system to improve your chances in winning the lottery and if you are one of the people who want to beat the system then this book is definitely for you. With this book, you will be able to learn the following: Learn about the basic types of lotteries that you can play. Chapter 1 talks about the different types of lotteries that you can play from Lotto, Instant Games and Powerball. The chapter talks about the differences of the types of lotteries that you can play. Uncover different types of strategies that you can do to play different lottery games. An entire chapter (Chapter 2) is dedicated to teaching you strategies on how you can find the right combination of winning numbers. Moreover, this chapter also focused on how to win numbered lotteries and scratch card games. Learn indispensable tips

and tricks on how to improve your chances on winning the lottery. Moreover, Chapter 3 also discusses on what you need to do should you win the lottery. The tips mentioned in this chapter are very useful so that you can improve your chances in winning and, at the same time, know how to handle yourself once you win the jackpot. The thing is that this particular book will serve as your guide on how you can play the lottery smartly. From betting the numbers to handling your winnings, this book tells all the information that you need to know. The contents of this book detail my Lottery System which is a Full Proof System for selecting the Winning Numbers when playing the Mega Millions Lottery. I have traced and calibrated the entire Mega Millions Lottery Games and all of the drawings since its inception back in May of 2002. My book features detailed spreadsheets that contain the methods of how and why my system works. Of the 230 some pages, there is only about 70 pages (if combined for text only), the remainder are of graphics that show how the system works. Throughout the course of my research, I have created a system that has detected the following: In 2005, my system correctly selected the winning numbers with the Mega Ball (MB) 16 times and 25 times without the MB. In 2006, the system selected the winning numbers with the MB 17 times and also hit 17 times without the MB. In 2007, 19 times with the MB and 18 times without the MB. In 2008, it selected the winning numbers 21 times with the MB and 26 times without the MB. In 2009, it selected the winning numbers 20 times with the MB and 19 times without the MB. In 2010, it selected the winning numbers 27 times with the MB and 17 times without the MB. In 2011, it selected the winning numbers 18 times with the MB and 20 times without the MB. Currently, to date in 2012, my floating system-select process has picked the winning numbers 12 times with the MB and 14 times without the MB. It is important to note that for the instances where the MB was not detected, the payout is \$250,000.00 (before taxes, needless to say). My system has no need for Wheeling - Statistics - Combinatorics - Boolean - Logic or even Binary Adaptive Configurations. This simple Mathematical system is the system that will not only blow your mind at how simple it is, but will astound you at how it works. -Color Print Interior- This book is designed for lottery players around the world. The predictions in this book are based on the understanding of the behavior and complexity of random systems. Understanding the complexity of random systems is the best tool that we have of predicting future lottery results. The predictions in this book are on a month-by-month basis because I believe that knowing that by the end of the month you will definitely win a certain amount of money, but just not knowing how much it is going to be yet, is a wonderful feeling. That is how I feel each month, and I would also like all those who buy this book to have the same feeling every month. First of all, I want to show that it is possible to predict future lottery numbers at whatever combination, be it two or three or four or five or six number combinations. My first book, titled How to Predict Future Lottery Results, did present two number combinations. You can see how accurate the predictions from my first book have been by checking the 'Results' page (xvii) of this book. The first book was

published on December 18, 2013. Results from 6/49 Lotteries around the World after that date have so far verified and validated my predictions on a month-by-month basis. This book presents a two months' snapshot of the matching numbers from eight countries around the world during January and February 2014. These results correspond with the predictions in my first book. I have now decided to publish the combinations for predicting three numbers on a month-by-month basis. This book is designed to provide valuable insight into how to improve the return on your investment when playing the lottery. While it does not promise that you will win more often, it does show you how to improve the odds of winning larger amounts when your numbers do come up. So, when you do win that million-dollar jackpot, you will be less likely to have to share it with anyone else. Among the intriguing topics covered are the most popular (and the most foolish) combinations of numbers, why it is impossible to improve the odds of any legitimate lottery, how popular (and thus unprofitable) an attractive-looking ticket might be, why not to follow the suggested numbers from so-called "expert advisors" and why it is important to avoid winning combinations of past drawings. With this book and a little luck, the dream of winning millions might just come true. In recent months, thousands of Americans, Canadians and Europeans lottery players have found the formulas, strategies, and the overall system in this book very effective. This book helps them make or win vast amount of money for a better financial future. In the United States and around the globe, numerous winners are still contacting me, the author of this book, to express their gratitude vis à vis this great initiative. Because you and I want to continue on the same road of success, we're going to make the most out of this edition. This edition offers compelling formulas, strategies regarding of what we ought to do to keep winning the games PICK 3, PICK 4 and PICK 5, and some clear advice on how we can improve our financial reality and create a prosperous future while playing these games. This book is an important wake-up call to let people know that these games are not absolutely relied simply on luck, to teach people the best winning techniques, and to show them ways which will keep them into the winners' basket. While we're not undermining the risk of uncertainty since these games are based on probability, we're still focused on short-term and long-term personal financial growth and stability. This book adopts the tradition of hard work, persistence, patience, and goal oriented in the pursuit of success and financial freedom. It also reflects on the importance of some qualities and values to have in order to succeed. Furthermore, in this book, the general idea is to let us know that we cannot always assume that profits are going to come easily, very quick with no efforts. Instead, profits can steadily flow in making long-term strategies to get better outcomes. The pictures of winning tickets below are few of many examples of winning tickets that you will enjoy throughout this great book. They're there to show you making money or winning money with the system in this book is a reality. In addition, they're inserted in this book to motivate you, inspire you, and prove to you that you've a winner instinct too that you need to feed with a lot of wins. Moreover, the best beverage that can

quench the thirst of your winning spirit is called 'WIN. Playing PICK 5, PICK 4 and PICK 3 is a fantastic way to bump up your income considerably. Stay tuned because I will tell you why and how. I personally call them COMBINED SAVIORS. The benefit of playing the PICK 5, PICK 4 and PICK 3 responsibly can add value to your income and make you become an unknown superstar who lives with peace of mind. If you don't want to dramatically keep increasing the importance of surpassing the level of income that you were making in the past years, this book is not for you. However, if you believe making more money legally and in a good way by just following my advice, I invite you to sit down calmly while you are going to read or listen to this book. You will discover a system that is easy to apply, strategies about how to keep winning nicely, and the tactics of perseverance when the odds are a little bit difficult to win. But we will beat the odds again, again, and again. The wonderful thing about what I am going to teach you is you have nothing to lose if you responsibly follow my advice. Now, my question for you is: are you ready? If your answer is yes, I would like you to feel a positive energy all over your mind right now. Yes, you are right, you should start smiling. Your face should light up right now. Yes, I can feel that you can't wait to learn my strategies that are going to teach you how to make at least \$250,000 a month responsibly. Yes, I know you can. I believe you can. The 999 Original "Half Dollar for \$600" Lottery System for Predicting Triples in the Pick 4 Cash 4 Games-----Targeting the Highest Paying Combinations in the Pick 4 Lottery Games...With Precision!----- Did you know that triples in the Pick 4 Cash 4 Daily 4 and Win 4 drawings rarely appear without first letting you know they are coming? 999's HD-4-600 Lottery System helps you to identify the "trigger" combinations that show up in your state's lottery before the actual triple falls, giving you a chance to set the net and catch the digits as the fall! If you become frustrated with missing hits as triples fall in your Pick 4 game, you now have a tool to help you corner these \$600-\$5000 wins with relative ease. The HD-4-600 gives you: • A set of specific combinations to watch for in your Pick 4 Drawing • A specific set of just 20 combinations or less to play when you see any of the "trigger" combinations fall, and • A "hit" winning combination that may occur within 1 to 21 days of seeing your trigger combination! Using the System is as easy as one, two, three. You need just three things to help you succeed. 1) You observe that a "trigger" combination has come out in your Pick 4 Lottery Game 2) You play a set of 14-20 numbers that are attached to that trigger combination; and 3) You decide how to spend (or save) your winnings to meet your particular freedom goals. If you have ever missed cashing in on a \$600 lottery payout because you did not know a triple was about to drop inside your Pick 4 Cash 4 drawing, then this system is for you. Start winning more in your "non-computerized" lottery drawing this month! My first book, titled How to Predict Future Lottery Results, did present two number combinations. You can see how accurate the predictions from the first book have been by checking the "Results" in this book. The first book was published on December 18, 2013. Results from 6/49 lotteries around the world after that date have

so far verified and validated my predictions on a month-by-month basis. This book presents a two months' snapshot of the matching two numbers from nine countries around the world during January and February 2014. These results correspond with the predictions in my first book. I have now decided to publish the combinations for predicting three numbers on a month-by-month basis. I have also published the combinations for predicting four numbers in 6/49 lotteries for January only (Book 4). Not only could you beat the odds and win more with the lottery than you thought possible, but winning doesn't have to be hard or complicated. In fact, it all comes down to some simple math that anyone can do, and I've done all the hard work for you anyway. There is no guarantee of winning, but you can increase your chances and beat the odds, and sooner than later they will turn in your favor. It happens all the time, especially when people follow a good system. Don't let anyone tell you can't or won't win the lottery. They are dead wrong! But don't take my word for it... "Thanks for writing this book, I am winning more now with the lottery than in any time before and it's all thanks to your system." Erin Hasse (Carlton, KS) "I love that Noah's strategy is so simple to follow. But he also backs it up with facts and reasons why it helps bring the odds more in your favor." Linda Harris (Rochelle Park, NJ) This book is about the virtues and social justice of random distribution. The first chapter is a utopian fragment about a future country, Aleatoria, where everything, including political power, jobs and money, is distributed by lottery. The rest of the book is devoted to considering the idea of the lottery in terms of the conventional components and assumptions of theories of justice, and to reviewing the possible applications of lottery distribution in contemporary society. This revised second edition includes a new introduction. This book has the winning systems that were used by Gail Howard's biggest Lotto Jackpot Winners. It's easy-to-read and as easy-to-use as A-B-C! Each system in this book has a specific win guarantee. Not only are you told the minimum win guarantee, but also the maximum number of prizes that can be won with each of the 162 systems in the book. Seventy-four (74) documented Lotto jackpot winners used Gail Howard's systems to win a combined total of 97.4 million dollars. Her remarkably successful track record in helping people win big money in Lotto led to appearances on hundreds of radio and TV shows, including The Today Show and Good Morning America. According to Family Circle magazine, "Lottery guru Gail Howard...can help people beat the odds." The Globe reported, "Gail Howard's revolutionary system can help you take dead aim on a million-dollar lottery jackpot." The New York Daily News said, "Wheeling systems like Howard's have the most respectability among critics, since they concede that the wheels offer a systematic way of reducing the odds." The Chicago Tribune claimed, "Gail Howard is 'the nation's best known lottery-system creator.'" Gail Howard's are the only lottery systems with a proven, documented, track record in winning dozens of lottery jackpots. Secure order form on www.smartluck.com. Smart Luck Publishers, Dept. http://www.publishershomepages.com/php/Smart_Luck_Publishers. This work is a complete mathematical guide to lottery games, covering all of the problems related to probability, combinatorics, and all parameters describing the lottery matrices, as well as the various playing systems. The mathematics sections describe the mathematical model of the lottery, which is in fact the essence of the lotto game. The applications of this model provide players with all the mathematical data regarding the parameters attached to the gaming events and personal playing systems. By applying these data, one can find all the winning probabilities for the play with one line (for each category in part or cumulatively), and how these probabilities change with playing the various types of systems containing several lines, depending on their structure. Also, each playing system has a formula attached that provides the number of possible multiple prizes in various circumstances. Other mathematical parameters of the playing systems and the correlations between them are also presented. The generality of the mathematical model and of the obtained formulas allows their application for any existent lottery (including variations like Keno) and any playing system. Each formula is followed by numerical results covering the most frequent lottery matrices worldwide and by multiple examples predominantly belonging to the 6/49 lottery. The listing of the numerical results in dozens of well-organized tables, along with instructions and examples of using them, makes possible the direct usage of this guide by players without a mathematical background. The author also discusses from a mathematical point of view the strategies of choosing involved in the lotto game. The book does not offer so-called winning strategies (proving that the only strategy is that of choosing), but helps players to better organize their own playing systems and to confront their own convictions (so many times based on false perceptions) with the incontestable reality offered by the direct applications of the mathematical model of the lotto game. As a must-have handbook for any lottery player, this book offers essential information about the game itself and can provide the basis for gaming decisions of any kind. Mega Millions Lottery covers all facets of the lottery, including how it operates, how to play, how to win mega millions, and rewards for Mega Millions. Like with every lottery, there is no specific plan to guarantee a win. That promise is not made in this book. There are several things you can do, though, to increase your odds of winning. This book gives exactly that. To have a better chance of winning any sizable prize in the Mega Millions Lottery, you must have a firm grasp of the game and the appropriate strategies to employ. After carefully examining more than 200 lottery results globally dating back to 1995, this book provides eight straightforward techniques to increase your chances of winning Mega Millions. This book also includes several common errors that you should avoid when playing the game. Whether you're a beginner looking for tips or an expert looking for ways to increase your luck, this book contains all the knowledge you need. Details forty-one number systems designed to enable Lotto players to play more numbers and improve the odds of winning, and discusses betting strategies and theories In this
