Presentation, Materials, Tools, Techniques It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the

Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because

if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life. Illustrated, step-by-step instructions for 24 soft dolls, for beginner to advanced sewers. along quilt edges can be transformed with elegant sashing designs and attractive border decorations such as a grapevine and a running vine. Simultaneous. Funny, sexy, off-beat and fast-paced, Looks Perfect will knock your mental socks off, and maybe your actual socks as well. Rosemary McKinnon has a journalism grad's idea of a totally frivolous job:

at thirty-three, she's fashion editor of Panache, a high-profile Toronto women's magazine. While she's covering the ready-to-wear shows in Paris, London, and New York, the man of her dreams falls under her spell. But what is her spell? Certainly he's not interested in her mind - he hardly talks to her apart from their romps in bed, and even then it's shop-talk. When he dumps her to marry a pink-and-white (and very young) Englishwoman, Rosemary knows for sure: the attraction is her exotic appearance. Half-Vietnamese, half-French, she has been raised by her adoptive parents in the only way they know how - like a Rosedale girl. After hard manoeuvring, Rosemary's sister sets her up with Max Appelbaum, and it's Max who shows Rosemary, more-or-less against her will, how much appearances really count. Just in time, too, because Mr. Dreamboat's attraction turns out to be more complex than anyone - especially Rosemary - could have imagined. Helps you learn how to use your embroidery machine to its
