Kanzi's family has moved from Egypt to America, and on her first day in a new school, what she wants more than anything is to fit in. Maybe that's why she forgets to take the kofta sandwich her mother has made for her lunch, but that backfires when Mama shows up at school with the sandwich. Mama wears a hijab and calls her daughter Habibti (dear one). When she leaves, the teasing starts. That night, Kanzi wraps herself in the beautiful Arabic quilt her teita (grandma) in Cairo gave her and writes a poem in Arabic about the quilt. Next day her teacher sees the poem and gets the entire class excited about creating a "quilt" (a paper collage) of student names in Arabic. In the end, Kanzi's most treasured reminder of her old home provides a pathway for acceptance in her new one. This authentic story with beautiful illustrations includes a glossary of Arabic words and a presentation of Arabic letters with their phonetic English equivalents.

As the wagon train begins the journey, Faith starts working on patches for a quilt that will tell the story of their trip. In spite of Faith's promise to keep her pet out of trouble, Josefina nearly causes a stampede and falls in the river during a river crossing. Faith's father is ready to get rid of the chicken, but Josefina suddenly begins laying eggs again, and so she is allowed to stay. Soon the voyage becomes harder and food more scarce. Although the Indians offer to trade meat and water for the family's quilts and Josefina, Faith and her mother refuse. Josefina proves her worth when two robbers creep into camp. The chicken's loud cackling wakes the family and the robbers run away; but the difficult journey has been hard on Faith's pet. Josefina dies and Faith buries her along the trail. Dot's efforts quickly draw the support of disparate members of the community, including newcomer Beth Donnelly, married to a local pastor; Elaine Giovanni, the stylish wife of a local surgeon; and an ailing Aunt Teza. But as the four different generations work the squares of the quilt, they are also confronted with ragged pieces of their own lives. Though the women could not be more different on the surface, they hold in common quiet suffering triggered by painful circumstances: the death of children, the abandonment of husbands, the loneliness of depression. Yet their struggles will bring them closer together than they ever could have anticipated, and their lives will be dramatically changed, as together they experience the curative powers of The Healing Quilt.

How to Make an American Quilt Mar 16 2020 “Remarkable . . . It is a tribute to an art form that allowed women self-expression even when society did not. Above all, though, it is an affirmation of the strength and power of individual lives, and the way they cannot help fitting together.”—The New York Times Book Review An extraordinary and moving novel, *How to Make an American Quilt* is an exploration of women of yesterday and today, who join together in a uniquely female experience. As they gather year after year, their stories, their wisdom, their lives, form the pattern from which all of us draw warmth and comfort for ourselves. The inspiration for the major motion picture featuring Winona Ryder, Anne Bancroft, Ellen Burstyn, and Maya Angelou Praise for *How to Make an American Quilt* “Fascinating . . . highly original . . . These are beautiful individual stories, stitched into a profoundly moving whole. . . . A spectrum of women’s experience in the twentieth century.”—Los Angeles Times “Intensely thoughtful . . . In Grasse, a small town outside Bakersfield, the women meet weekly for a quilting circle, piercing together scraps of their husbands’ old workshirts, children’s ragged blankets, and kitchen curtains. . . . Like the richly colored, well-placed shreds that make up the substance of an American quilt, details serve to expand and illuminate these characters. . . . The book spans half a century and addresses not only [these women’s] histories but also their children’s, their lovers’, their country’s, and in the process, their gender’s.”—San Francisco Chronicle “A radiant work of art . . . It is about mothers and daughters; it is about the estrangement and intimacy between generations. . . . A compelling tale.”—The Seattle Times

Under the Quilt of Night Jan 14 2020 When night falls, and all is quiet, a slave girl starts to run. She follows the moon into the woods, leading her loved ones away from their master. There's only one place where he might not find them, and it's under the quilt of night. Guided by the stars, they head north in the direction of freedom. At last, the girl sees a quilt -- the quilt with a center square made from deep blue fabric -- and knows it's a signal from friends on the Underground Railroad, welcoming her into their home. And so she steps forward... Deborah Hopkinson and James E. Ransome team up again, in this stunning companion to *Sweet Clara and the Freedom Quilt*. Ransome's rich, powerful illustrations elicit all the emotion and suspense of Hopkinson's words, in a story that's sure to make your heart race and leave you breathless.

Clay's Quilt Sep 14 2022 On a bone-chilling New Year's Day, when all the mountain roads are slick with ice, Clay's mother, Anneth, insists on leaving her husband. She packs her things, and with three-year-old Clay in tow, they inch their way toward her hometown along the treacherous mountain roads. That journey ends in the death of Clay's mother. It's a day that comes to haunt her only son, who's left without a family and a history. This is the story of how Clay Sizemore, a coal miner in love with his town but unsure of his place within it, finds a family to call his own. And it's the story of the people who become part of the life he shapes: Aunt Easter, always filled with a sense of foreboding and bound to her faith above all; Uncle Paul, quietly producing quilt after quilt; Dreama, beautiful and flighty; Evangeline, the untameable daughter of a famous gospel singer; and Alma, the fiddler whose song wends its way into Clay's heart. Together, they all help Clay to fashion a quilt of a life from what treasured pieces are around him. Authentic and moving, *Clay's Quilt* is both the story of a young man's journey and of Appalachian people struggling to hold on to their heritage.

The Improv Handbook for Modern Quilters Aug 21 2020 An exciting new approach for beginning to advanced quilters who want to improvise on their own, with a friend, or with a community of fellow makers. Forget step-by-step instructions and copycat designs. In *The Improv Handbook for Modern Quilters*, Sherri Lynn Wood presents a flexible approach to quilting that breaks free of old paradigms. Instead of traditional instructions, she presents 10 frameworks (or scores) that create a guiding, but not limiting, structure. To help quilters gain confidence, Wood also offers detailed lessons for stitching techniques key to improvisation, design and spontaneity exercises, and lessons on color. Every quilt made from one of Wood’s scores will have common threads, but each one will look different because it reflects the maker’s unique interpretation. Featured throughout the book are Wood’s own quilts and a gallery of contributor works chosen from among the hundreds submitted when she invited volunteers to test her scores during the making of this groundbreaking work. “Wood offers a series of techniques, guidelines and lessons on color choice for those ready to explore improvisational quilting. Her book is loaded with full-color photos and examples to inspire.” —Dallas Morning News “Despite how it may “seam,” quilting isn’t all about rules! Quilting can be an exhilarating way to channel your creativity and express yourself. This book is focused more on exploration than explanation—a perfect mindset for beginners!” —Powell’s Books Staff Pick
